Brother!

There you are. I've been looking for you

Ah, she is...

You did find her. I even thought I was dreaming or something at that time

See? Told you. I saw her again yesterday

She's quite mysterious. She wouldn't tell me anything

Maybe because she doesn't like you?

Hey... TT TT If she didn't she would have run away...

I think she may be living here alone and find others interesting

And her reason for not being able to speak is perhaps no one taught her how to speak.

Hmm...

Hey, do you want to come with us

What?!

Why are you surprised. If she was separated from her parents, we could find them via her who she stays with us

Well...

True but...

Let's go, come with us.

Ugh...

Hey, water.. Bring me water.

Bring me water!

Is there anyone out there?

.....

Did you call me?

I

You're the only one left?

...Yes.

Why are you here? Why don't you run away like the others?

Um..

You may not remember..

but you took me in while I was begging on the streets.

I would have starved to death if it wasn't for you, sir.

S-so...

Hah

Haha.. hah...

Haha...

How far I've fallen, being pitied by a former beggar

sniff

Yes, I see how far I've fallen... Pfft.

Cut the crap!!

I guess now you see me on the same level as you?!

Don't think I don't know that you laugh at me behind my back?!

I.. I am just..

Trying to repay the debt

Get out of my sight!!

Get out of my sight now!!

Thud

What now?

Rathgar!!

That outfit...
